## Directions to our Boston Campus

### **We are located at:**

**EF Education First Boston Headquarters  
1 Education St.  
Cambridge, MA 02141**

### **From the West:**

Take the Mass Turnpike East (also Interstate 90) to exit 18 (Allston/Cambridge). Keep to the right. At the second set of lights turn right onto Storrow Drive East. Follow this road to the end. Stay in the left lane as you approach Leverett Circle, and turn left onto the O'Brien Highway. The Museum of Science will be on your left. EF Education will be on your right. At the next traffic light (across the street from the Museum garage), take a right onto Museum Way. EF Education is straight ahead.

### **From the Northwest:**

Follow Route 2 until it turns into Memorial Drive. Follow Memorial Drive along the Charles River (on your right) to the end. (Note: at the Longfellow Bridge stay right {the sign says Cambridge}. If you go left you'll end up downtown.) At the lights turn right onto the O'Brien Highway. The Museum of Science will be on your right. EF Education will be on your left. At the next traffic light (across the street from the Museum garage), take a left onto Museum Way. EF Education is straight ahead.

### **From the South (Rhode Island):**

Follow Interstate 95 North to Massachusetts exit #12, which will put you on to Interstate 93 North toward Boston. Follow 93N to exit 26. When you get off the exit follow signs for North Station. At this exit you are circling around the construction to get to Monsignor O'Brien Pkwy (also 28N). After exiting the tunnel, bear left onto Martha Road. Continue to head left (as if you were entering the North Station garage – but do not!) Keep going left until you are able to make a right turn on Monsignor O'Brien Pkwy (also 28N). The Museum of Science will be on your left. At the first set of lights before the major intersection take a right onto Museum Way (also called Industrial Parkway). EF will be straight ahead.

### **From the South (South Shore):**

Follow Route 3 North until it turns into Interstate 93 North, heading toward Boston. Follow 93N to exit 26. When you get off the exit follow signs for North Station. At this exit you are circling around the construction to get to Monsignor O'Brien Pkwy (also 28N). After exiting the tunnel, bear left onto Martha Road. Continue to head left (as if you were entering the North Station garage – but do not!) Keep going left until you are able to make a right turn on Monsignor O'Brien Pkwy (also 28N). The Museum of Science will be on your left. At the first set of lights before the major intersection take a right onto Museum Way (also called Industrial Parkway). EF will be straight ahead.

### **From the North (N.H. and Maine):**

Follow Interstate 93 South to the exit toward Leverett Circle and Cambridge. At the end of the ramp, take a left at the traffic light (but stay in the right-hand left-turn lane). At the next light, turn right onto the O'Brien Highway. The Museum of Science will be on your left. EF Education will be on your right. At the next traffic light (across the street from the Museum garage), take a right onto Museum Way. EF Education is straight ahead.

### **From the North (North Shore)**

Follow Route 1 South and go over the Tobin Bridge (The toll is \$3.00 for cars). About a mile past the toll booths Route 1 South will merge with Interstate 93 South. Take the first exit after the merge (#26- North Station/Storrow Drive). Merge left and take the left exit off the ramp to Cambridge. Stay in the left lane. Follow the blue signs. Just past the first traffic light, turn left. Go straight through the next two lights. At the 4th light, turn right onto the O'Brien Highway. The Museum of Science will be on your left. EF Education will be on your right. At the next traffic light (across the street from the Museum garage), take a right onto Museum Way. EF Education is straight ahead.

Follow Interstate 95 North to Massachusetts exit #12, which will put you on to Interstate 93 North toward Boston. Follow 93 North to exit 26, North Station/Storrow Drive.

### **From Logan Airport**

As you leave the airport, follow signs for "Boston via The Sumner Tunnel". (There is a \$3.50 toll.) Get in the left lane when you exit the tunnel and go up the ramp onto Interstate 93 North. Take exit 26 (North Station/Storrow Drive). At this exit you are circling around the construction to get to Monsignor O'Brien Pkwy (also 28N). After exiting the tunnel, bear left onto Martha Road. Continue to head left (as if you were entering the North Station garage – but do not!) Keep going left until you are able to make a right turn on Monsignor O'Brien Pkwy (also 28N). The Museum of Science will be on your left. At the first set of lights before the major intersection take a right onto Museum Way (also called Industrial Parkway). EF will be straight ahead.

### **By Public Transportation**

**Green Line:** Take the Green Line toward Lechmere (make sure you transfer to the E branch at Government Center, Haymarket or North Station). Get off at the Science Park stop. Walk along the bridge to cross the river and EF is on your right.

**Blue Line:** Take the Blue Line to Government Center. Follow Green Line directions above.

**Orange Line:** Take the Orange Line to North Station, or Haymarket. Switch to the Green Line E branch toward Lechmere. Get off at Science Park. Walk along the bridge to cross the river and EF is on your right.

**Red Line:** Take the Red Line to Charles/MGH..... Or, take the Red Line to Park Street and switch to the Green Line. Follow Green Line directions above.
