

## Corporate Membership Information | Benefits

Founded in 1948 by Sir Keith Murdoch, the American Australian Association is a non-profit organization dedicated to deepening and strengthening relations between the United States and Australia. Today, the Association continues to build and promote ties across the Pacific through business, innovation and policy programs, arts and culture, and through educational scholarships and exchange.

Joining the American Australian Association as a corporate member provides member companies with reach to our extensive US and Australian networks:

### American Australian Association Email Lists

Global -> 18,870 subscribers (e.g. American Australian Association Newsletter)
